COST & VALUE ENGINEERING

- Cost effective material sourcing
- Product design optimization
- Reduce wastage & rework
- Increase value, reduce cost

COLLABORATIVE INNOVATION

- Work closely with buyer teams
- Co-development programs
- Faster sampling & approvals
- Long term innovation partner

OUR COMMITMENT

QUALITY FIRST
Delivering high quality, safe and reliable products.

PLANET FRIENDLY
Minimizing environmental impact in every step.

CONTINUOUS IMPROVEMENT
Never stop learning, innovating and improving.

PARTNER SUCCESS
Your success is the measure of our innovation.

KEY INNOVATION FOCUS AREAS

Circular Fashion
Designing out waste and keeping materials in use for longer.

Low Carbon Future
Developing solutions that reduce carbon footprint.

Water Stewardship
Innovating to reduce water usage and protect our planet.

Cleaner Chemistry
Using safe, non-toxic chemicals in our processes.

Renewable Energy
Exploring renewable energy for a more sustainable future.

Responsible Sourcing
Sourcing responsibly for people, planet and partnership.

**Innovation is our passion.
Sustainability is our responsibility.
Your success is our purpose.**

DEDICATED R&D TEAM
Experienced professionals with deep industry knowledge.

ADVANCED LAB FACILITIES
In-house lab for testing, analysis and product development.

LATEST TECHNOLOGY
Investing in the latest tools and digital solutions.

GLOBAL COMPLIANCE
All solutions developed in line with international standards.

STRONG PARTNERSHIP
Collaborating for innovation, growth and long term success.

SMART SOURCING.

MAXIMUM OPTIONS. BEST SOLUTIONS.

At Sara Sourcing Ltd., we connect global buyers with the best manufacturers, suppliers and raw material sources across Bangladesh. Through our strong local network, industry expertise and data-driven evaluation, we ensure the right product, from the right source, at the right value.

WHAT WE SOURCE

WIDE NETWORK IN BANGLADESH

Access to 1000+ verified factories & suppliers

MULTIPLE OPTIONS ALWAYS

We present the best options, you choose the best

COST ADVANTAGE

Competitive pricing without compromising on quality

QUALITY ASSURANCE

All sources are evaluated for compliance, quality & reliability

ON-TIME DELIVERY

Strong supply chain ensures on-time commitment

OUR SOURCING PROCESS

STEP 01 REQUIREMENT ANALYSIS

We understand buyer needs, product specs, quality & compliance standards.

STEP 02 MARKET RESEARCH

Extensive market research to identify potential factories & suppliers.

STEP 03 SHORTLISTING & EVALUATION

Factories & suppliers are evaluated on capacity, quality, compliance, lead-time & cost.

STEP 04 SAMPLE DEVELOPMENT

Samples are developed & tested to ensure product quality & buyer satisfaction.

STEP 05 COMPARISON & BEST SELECTION

We present all options with analysis for the buyer to select the best fit.

STEP 06 PRODUCTION ALIGNMENT

Finalized source moves to bulk production with full coordination & monitoring.

STEP 07 QUALITY & DELIVERY

In-line inspection, final QC & timely delivery as per commitment.
